Dataformat (incl. 2 mm bleed):
10,9 x 21,4 cm

bleed:
2 mm

Trimmed size:
10,5 x 21 cm

Safety margin:
4 mm
Maintaining space between the text/information and the edge of the trimmed format prevents undesirable cuts.

✂ We will cut/perforate your product here

Please note:

Allow for trim allowance and safety margin according to instructions.

Arrange background graphics, images or graphics up to the edge of the data format.

Tolerances may occur during production due to cutting, punching and folding processes.
